

**Arx Technologies, LLC**  
**Copyright Policy**

Arx Technologies dba Arx Web is committed to complying with United States copyright law. Arx Technologies dba Arx Web service recipients are required to comply with these laws. Customers may not store any material or content on, or access, or disseminate any material or content over Arx Technologies' network that constitutes an infringement of third party intellectual property rights granted by U.S. copyright laws. Arx Technologies dba Arx Web complies with the Digital Millennium Copyright Act and through the contact below allow copyright owners to communicate information about infringements to us. Arx Technologies dba Arx Web will also inform affected customers of such communication if and when it occurs.

Arx Technologies dba Arx Web reserves the right to terminate the service of any subscriber who at its sole discretion believes is in violation of U.S. copyright laws. Through termination of identified subscriber's service Arx Technologies dba Arx Web will work directly or indirectly to remove infringed material as soon as possible.

Copyright owners wishing to notify Arx Technologies dba Arx Web of alleged infringement may send notification to the contact below. Include the IP address and MAC Address of alleged infringer and a description of protected content as part of notification.

Arx Copyright Manager

Under the DMCA, anyone who knowingly makes misrepresentations regarding alleged copyright infringement may be liable to Arx Technologies dba Arx Web, the alleged infringer, and the affected copyright owner for any damages incurred in connection with the removal, blocking, or replacement of allegedly infringing material.

Subscribers who receive notification of alleged infringement as described above who believe that service has been terminated unjustly or notified of unfounded infringement may file a counter notification with the contact identified above. All counter notifications must comply with the requirements set forth in Section 512(g)(3) of the U.S. Copyright Act. In the event a proper counter notification has been received Arx Technologies will provide a copy of the counter notification to the person who sent the original notification of alleged infringement. In all events subscribers expressly agree that Arx Technologies dba Arx Web will not be party to any disputes or lawsuits regarding alleged copyright infringement.
